

2023 Junior League

2023 JUNIOR PROGRAM

Our junior program is designed for players of all ages and abilities. Whether you are new to the game, would like to meet new friends, compete at an elevated level, or just want to have fun, Lakewood Junior Program provides opportunities that will meet all your needs.

Driven by the strong desire to assist in the development of our youth, Lakewood Golf Resort has created a safe, interactive, fun, educational, structured program and an atmosphere for children and teens of all ages to enjoy. **Today's youth are the leaders of tomorrow!** It is our responsibility to ensure they are ready to meet the challenge!

The game of golf and the tradition it was built on, is instrumental in educating our children some of life's valuable lessons. Some of these lessons includes **honesty, integrity, respect, dedication, goal setting, value of hard work, confidence, and social skills** to name a few. It is my belief that this program will assist in developing these skills while creating a fun and dynamic atmosphere for our youth to grow in.

The success of any program relies heavily on its volunteer base, and we are no different. The Lakewood executive committee are looking for volunteers to help assist in many ways from development to walkers and drivers. If you are interested in becoming involved in this program, please call or email Scott Bergdahl at scottbergdahl@telus.net or 403-887-2477.

EXECUTIVE COMMITTEE

CPGA Head Golf Professional – Scott Bergdahl

Junior Facilitators - Jorden Jensen
